Combined Heat and Power in Rhode Island: A Virtual Public Meeting

Are you a combined heat and power (CHP) installer? Have you participated in National Grid Rhode Island's CHP incentive program? Do you have or are you interested in a CHP system for your facility?

Please join us to share your experience and learn more about CHP programs in Rhode Island. Due to COVID-19, this year's meeting will be held virtually.

**Thursday, May 14th
4:00-5:30 PM**

GoToMeeting info provided upon registration

Please register by May 8th at rieermc.ri.gov
